

# Session 3

**International Working Group & Country Group Review**  
**45<sup>th</sup> Meeting of IRAC International, Washington DC, USA**

**Wednesday - April 28<sup>th</sup>, 2010**

**Sucking Pests**

**Jonathan Henen**

# Team Members

Insecticide Resistance Action Committee

## Team Leader, Deputy and Members for 2010/11

- Ralf Nauen (D)
- Russell Slater
- Steven Skillman
- Tatjana Sikuljak
- Eric Andersen
- Matthias Haas
- Alasdair Haley
- Jean-Paul Genay
- Dan Vincent
- Luis Gomez
- James Thomas
- Jonathan Henen (TL)

## Conference calls

1. 23 June - Neonicotinoid & Sucking Pest WG merger
2. 20 August – Aims & Goals set & agreed upon
3. 22 October – *Myzus* questionnaire
4. 29 January – *Myzus* questionnaire finalized

## Activities

1. *Myzus persicae* questionnaire drafted & sent out
2. BPH Poster – work ongoing (Ralf, Russell + IRAC SE Asia))
3. Citrus Psyllid poster – Work ongoing (Steven + IRAC Brazil)
4. Mite poster – work ongoing (Fergus & Ralf)
5. *Frankiniella occidentalis* – Work ongoing ( Steven & Dan)  
Copy sent to pablo Bielsa for approval

## Still to be done

1. Compilation of list of future pest/life stages to be addressed by WG ( Eg: *Amrasca devistans*, Potato Psyllid & others)

Insecticide Resistance Action Committee

# Myzus Questionnaire

## Steven Skillman & Eric Andersen

- Completed and sent to all Executive members for dissemination - February 2010
- A lot of work was put into design and wording
- All members contributed re to whom the poster should be sent
- Also sent to key persons in Academia – Dr Emanuele Mazzoni and others
- Response is disappointing as only a single questionnaire was sent back.
- All members are requested to push the people on the original lists to fill in and send In the questionnaires.

# Goals & SMART Objectives 2010/11

Insecticide Resistance Action Committee

Goals	Objectives	Timeline
Neonicotinoid resistance in Myzus persicae in peaches in Southern France	<ul style="list-style-type: none"> <li>Carefully monitor resistance status</li> <li>Analyze findings</li> <li>Compile relevant recommendations</li> </ul>	Q3 2010
Myzus Questionnaire	<ul style="list-style-type: none"> <li>Push for more people from more diverse backgrounds to answer</li> <li>Collate answers and compile recommendations</li> <li>Publish results and recommendations</li> </ul>	Q2-3 2010
IRAC Posters – Finalize versions of all posters currently been worked on	<ul style="list-style-type: none"> <li>Mite poster (Fergus &amp; Ralf)</li> <li>BPH poster (Together with IRAC SE ASIA)</li> <li>Citrus Psylid poster (Together with IRAC Brazil)</li> <li>Frankiniella poster (Steve &amp; Dan)</li> </ul>	End Q2 2010
Compile a second questionnaire for key pest	<ul style="list-style-type: none"> <li>Identify possible resistance issues for specific key pests</li> <li>Decide which pest/chemistry needs to be addressed</li> <li>Compile relevant questionnaire to help pinpoint the relevant issues and how to deal with them</li> <li>Publish recommendations based upon the questionnaire</li> </ul>	Q4 2010

## 2010 Thanks

Insecticide Resistance Action Committee

**Thanks and appreciation to all WG members for their :**

- **Input**
- **Participation in conference calls**
- **Compilation of posters**
- **Drafting of questionnaire**
- **For being part of the team**

**All of which I do not take for granted.**

**A special thanks to**

Insecticide Resistance Action Committee

# Thanks

To

**Eyjafjallajokull (ay-yah-FYAH-lah-yer-kuhl)**

**For allowing us all to get here safely and actively  
participate in the annual IRAC Spring Meeting**
